ARTICLE III**COVENANT FOR MAINTENANCE ASSESSMENTS**

Section 1. Creation of the lien and personal obligation of assessments. Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessment or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments.

(a) The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of Pheasant Hill and in particular for the improvement and maintenance of services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area, including but not limited to, the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against the Common Area; the maintenance of water and sewer mains in and upon the Common Area; the maintenance of open spaces and streets which have not been accepted for dedication by a public authority, roadway medians and islands (including medians and islands located in dedicated rights-of-way), drives and parking areas within the Common Area, the procurement and

DEED 65 -- U PG 325

maintenance of insurance in accordance with the By-Laws; the maintenance of lakes, ponds, retention areas or other bodies of water located within the Common Area; the maintenance of dams and areas surrounding such water; the maintenance of any "sign easement" areas located on any Lot , as shown on a recorded plat; the maintenance of entranceways, landscaping and lighting of Common Area, road medians and islands and entranceways, the lighting of streets (whether public or private); the payment of charges for garbage collection and municipal water and sewer services furnished to the Common Area; the costs associated with duties of the Architectural Control Committee; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, paving, and any other major expense for which the Association is responsible; and such other needs as may arise.

Such reserve fund is to be established out of regular assessments for common expense.

(c) All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Properties, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the By-Laws of the Association. As monies for any assessment are paid to the Association by any Lot Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits

DEED 65-U PG 326

derived therefrom shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Lot. When a Lot Owner shall cease to be a member of the Association by reason of his divestment of ownership of his Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of Properties.

Section 3. Maximum annual assessment. Beginning January 1, 1997, the maximum annual assessment shall be Seventy Five and no/100 (\$75.00) Dollars per Lot and paid on a calendar year basis unless changed by the Homeowners Association.

(b) Beginning January 1, 1998, the maximum annual assessment may be increased above five (5%) percent only by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of ten percent (10%) above the previous year's assessment, subject to the provisions as provided for in these Restrictions.

Section 4. Special assessments for capital improvements. In addition to the annual assessments authorized above, the association may levy, in any assessment year, a special assessment

DEED 65 -- U PG 3 2 7

applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement in the Subdivision, provided that any such assessment shall have the assent to two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and quorum for any action authorized under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3-or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty (60%) percent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform rate of assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of commencement of annual assessments; due dates. The annual assessments provided for herein shall commence as to all Lots on the first day of January following the purchase of the property by an owner. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon

DEED 65 -- U PG 3 2 8

demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as the date of its issuance. The Declarant shall fund such amount necessary to pay approved expenses in excess of the amount collected by the Association until the date Class B membership ceases.

Section 8. Effect of nonpayment of assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten (10%) percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his lot or otherwise.

Section 9. Subordination of the lien to mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage, Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

DEED 65-U PG 329

Clean-up and removal of all boxes, trash or debris of any kind, shall be on a regular basis. No loose trash will be permitted to be strewn about the Property at any time. DEED 65 -- U PG 332

Section 11. Neither Declarant, Builder nor any other member of the Architectural Control Committee, shall be responsible or liable in any way for any defects in any plans or specifications approved by the Architectural Control Committee, nor for any structural defects in any work done according to such plans and specifications approved by the Architectural Control Committee. FURTHER, NEITHER DECLARANT, BUILDER NOR ANY MEMBER OF THE ARCHITECTURAL CONTROL COMMITTEE SHALL BE LIABLE IN DAMAGES TO ANYONE BY REASON OF MISTAKE IN JUDGMENT, NEGLIGENCE, MISFEASANCE, MALFEASANCE OR NONFEASANCE ARISING OUT OF OR IN CONNECTION WITH THE APPROVAL OR DISAPPROVAL OR FAILURE TO APPROVE OR DISAPPROVE ANY SUCH PLANS OF SPECIFICATIONS OR THE EXERCISE OF ANY OTHER POWER OR RIGHT OF THE ARCHITECTURAL CONTROL COMMITTEE PROVIDED FOR IN THIS DECLARATION. EVERY PERSON WHO SUBMITS PLANS AND SPECIFICATIONS TO THE ARCHITECTURAL CONTROL COMMITTEE FOR APPROVAL AGREES, BY SUBMISSIONS OF SUCH PLAN AND SPECIFICATIONS, AND EVERY OWNER OF ANY LOT AGREES, THAT HE WILL NOT BRING ANY ACTION OR SUIT AGAINST DECLARANT, ASSOCIATION, ITS BOARD MEMBERS OR OFFICERS, OR ANY MEMBER OF THE ARCHITECTURAL CONTROL COMMITTEE, TO RECOVER ANY SUCH DAMAGES AND HEREBY RELEASES, REMISES, QUITCLAIMS, AND COVENANTS NOT TO SUE FOR ALL CLAIMS, DEMANDS, AND CAUSES OF ACTION ARISING OUT OF OR IN CONNECTION WITH ANY LAW WHICH PROVIDES THAT A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS, DEMANDS, AND CAUSES OF ACTION NOT KNOWN AT THE TIME THE RELEASE IS GIVEN.

In the event the requirements of this section are not adhered to, the Association shall send written notice via certified mail giving an additional period for compliance of ten (10) days, unless a hardship or special circumstance requires additional time. If the violation continues, the Association may at its sole discretion, hire contractors or personnel to correct said violation and bill the Homeowner for all costs incurred. The amounts owed shall, if not paid, become a lawn on the lot as specified herein.

Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessment or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments.

(a) The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of Pheasant Hill and in particular for the improvement and maintenance of services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area, including but not limited to, the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against the Common Area; the maintenance of water and sewer mains in and upon the Common Area; the maintenance of open spaces and streets which have not been accepted for dedication by a public authority, roadway medians and islands (including medians and islands located in dedicated rights-of-way), drives and parking areas within the Common Area, the procurement and

Such reserve fund is to be established out of regular assessments for common expense.

(c) All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Properties, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the By-Laws of the Association. As monies for any assessment are paid to the Association by any Lot Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits

derived therefrom shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Lot. When a Lot Owner shall cease to be a member of the Association by reason of his divestment of ownership of his Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of Properties.

(b) Beginning January 1, 1998, the maximum annual assessment may be increased above five (5%) percent only by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of ten percent (10%) above the previous year's assessment, subject to the provisions as provided for in these Restrictions.

Section 4. Special assessments for capital improvements. In addition to the annual assessments authorized above, the association may levy, in any assessment year, a special assessment

applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement in the Subdivision, provided that any such assessment shall have the assent to two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and quorum for any action authorized under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty (60%) percent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform rate of assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of commencement of annual assessments; due dates. The annual assessments provided for herein shall commence as to all Lots on the first day of January following the purchase of the property by an owner. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon

demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as the date of its issuance. The Declarant shall fund such amount necessary to pay approved expenses in excess of the amount collected by the Association until the date Class B membership ceases.

Section 8. Effect of nonpayment of assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten (10%) percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his lot or otherwise.

Section 9. Subordination of the lien to mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.
